# GONZALO FABRICIO GÓMEZ
PROGRAMMER | STUDENT | ARG

ABOUT ME

I am a **Backend Developer**. I mainly focus on **Java** and **C#** languages. With them, I have developed web applications, desktop applications, and REST APIs.

I am passionate about challenges and continuous learning.

SKILLS

Programming Languages:
- **Java** (Intermediate)
- **C#** (Intermediate)
- C and C++ (Basic)
- JavaScript (Basic)

Database Management:
- **MySQL**
- **SQL Server**

Frameworks and Libraries:
- **Spring Boot & Security**
- **JPA + Hibernate**
- **.NET 9**
- **ASP.NET** (MVC & API)
- **Entity Framework**
- ***ReactJS***
- *Tailwindcss*
- *Bootstrap*

Additional Skills:
- **Git + GitHub**
- **English Level: B2**

LASTEST PROYECTS

Online Hotel Booking Platform
January - February 2025
FullStack website with Authentication and Authorization.
- Backend: Java , **Springboot**, **Spring Security**, **JWT**, **MySQL**.
- FrontEnd: **Javascript** & **ReactJS**.

🔗 Repository

College Project: Online Auction Platform
August-November 2024
FullStack Multi-application solution for online auctions.
- Website: User authentication, product publication, and bidding.
- Mobile App: Access to product details and auction results.
- Desktop App: Management of auctions.

Stack:
- Backend: **C#, ASP.NET Web APIs, SQL Server with Entity Framework.**
- Frontend: **Blazor**, **.NET MAUI** (Mobile), **WinForms** (Desktop).
- Integration: Centralized **REST API** for interconnection.
- Deployed on Azure (API, database, and website).

🔗 Repository

College Project: Online Forum
September-November 2024
Forum website with public and private sections, Authentication, and Authorization.
- Publication of discussions and comment threads, filtering by categories/topics.
- Panels for moderators and superadmins with user and content management.

Stack: **PHP**, **Laravel** (Eloquent, Blade), **MySQL**.

🔗 Repository.

EDUCATION

University Technician in Programming
Universidad Tecnológica Nacional
March 2022 - Present.

API Development in Java with Spring Boot
TodoCode Academy
March 2024 - Completed

First Certificate in English (FCE): Upper-Intermediate/B2
Centro Universitario de Idiomas, U.B.A.
December 2023 - Completed
